

Are You Out and About?

Do you encourage others to become a CPCU or for employers to support the CPCU program? If so, what activities are you doing? E.g. mentoring, presentations, handouts etc.

Do you give presentations in insurance topics, careers in insurance or ethics? **Who, What & When**

We would love to know the audience, your topic and when you gave the presentation.

Have you written any articles that you think would be perfect for the CPCU e-Journal or Interest Group newsletter?

If you are out and about doing any of the above activities, please email details to Mary Beth Scherer mbys@richmondpcu.org
